## DETAILED ACTION

### *Claim Objections*

1. This application is in condition for allowance except for the following formal matters:

Claim 9 is objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claim 9 recites that the adhesive of claim 6 further comprises a solvent. However, a solvent is already a required component of the adhesive of claim 6, and therefore this claim fails to further limit the parent claim.

Applicant's amendment necessitated the new ground(s) of objection presented in this Office action. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. Claims 6-8 are allowed.
